## Columbus event results / Dave's out after 35 days!

Tim and Sheila Steele filled in for us at the Columbus WTR and here is their report: We had several couples that were at an impasse before attending this event. We had been praying for them prior to the event since they had responded to our pre-event "prayer and parking email". As they arrived we recognized names during registration and while interacting with the guests throughout the weekend (thank goodness for name tags!). Each husband of those two couples approached our team and were ecstatic over the change that this dedicated weekend away had on their marriages. It made such a difference in their lives; better communication tools, able to make breakthroughs (one is going home to stop their divorce proceedings!!) and now both couples are experiencing hope where they had none! We also had 5 solid staff conversations that will be requesting a phone call from our mobilization team to explore next steps. They will be a great addition to the 3 FL staff couples already in the NE OH region!!!

## Upcoming Ministry Updates

The NE Ohio team met without us and our volunteer director did the training for our upcoming push for the WTR. So blessed that discipleship still works! He did a wonderful training! We are already over 100 regs for Oct.

### Prayer Requests

- Prayer: 65 days of healing at home. Hope to be back to some normalcy in the next month or two after my stem cell transplant
- Prayer: CLE Weekend to Remember to exceed goal of 450. Every seat is a gospel opportunity.
- Prayer: balancing managing 5 reps covering over 20 cities and our rep position-especially since we still have 4 events currently.

*We have added a wonderful devotion for you called FIRE. Includes personal reflection.*

Love, *Dave & Jane*

*You can register for the Cleveland event Oct. 27-29 Here*

***"This getaway was exactly what our marriage needed. We went into this weekend knowing we were in a healthier season, but also knowing that is one of the best times to dive in deeper into what the Holy Spirit wants to share and teach. The conversations we had during the check ins and during date night were the best part of the weekend. I am leaving the weekend even more in love with my husband and feeling lighter than I have in years." Wife - married 9 years***
